2. Purpose of Data Collection

All data collected is collected due to either legitimate interest or because we are obliged by law to collect that data. The legitimate interest being ensuring a pleasant and unproblematic membership as well as the creation and maintenance of our community.

H.S.A. Confluente collects data for the following purposes:

2.1 Activities

H.S.A. Confluente organizes all kinds of activities. H.S.A. Confluente uses your phone number to contact you during activities. Your phone number is also used regularly for quick communication within H.S.A. Confluente. In case you do not want H.S.A. Confluente to use your phone number, you can choose to not provide this information when signing up. This will not negatively influence your membership at H.S.A. Confluente. All important information will also be shared with you over email.

Furthermore, photos will be taken during activities. During your registration, you can decide not to give permission to H.S.A. Confluente to take photos of you or to publish them. H.S.A. Confluente will then try to delete photos that were accidentally taken of you. In the case that your photos did get published without your permission, you can contact us and then we will remove your photos immediately.

2.2 Member administration

H.S.A. Confluenta communicates essential information, such as changes made to this document, invitations to general member meetings, via email. To be able to do this, H.S.A. Confluenta must have your email address. In addition, your email address will be used for promoting events by means of a newsletter. You can always unsubscribe from this newsletter via the link in the newsletter itself.

2.2.1 Website

To be able to login on the website, you must have created an account on the website via the registration link in the weekly newsletter. To be able to have an account on the website, you must have given a password in the sign-up form. Passwords on our website are encrypted and not accessible by anyone within the association.

Next to that, the website stores:

Confluente, your first name, surname, email address, date of starting in the honors program and membership status, will be communicated to MailChimp. If you have an objection to this, get in contact with us. We can stop the processing of your personal data at MailChimp. This does imply that you may not receive interesting and important emails.

3.3 Conscribo

For keeping track of members and financial records we have a data processing agreement with Conscribo. In Conscribo we keep track of

- your status within H.S.A. Confluente,
- your honors track and major (for promotion differentiation),
- date of starting honors (to know when you finish),
- consent to pictures,
- consent to weekly email,
- campus card number (to give you access to the honors room)
- TU/e email

4. Storage period

In principle, your data will be stored as long as you are a member of H.S.A. Confluente. When you cancel your membership, all data will be deleted within 12 months after paying all open debts, except for financial data which we are obliged to archive by law. All data that we are obliged to keep by law, will be kept for at least 7 years after cancelling your membership. Afterwards also this data will be removed within 12 months.

When you finish your honors program, you automatically become an alumnus of H.S.A. Confluente. We archive all names and emails of alumni in order to keep track of our alumni base and invite you to alumni events. Emails and names of alumni are kept indefinitely.

5. Security

All paper copies of your data will be stored in a locked filing cabinet which only the board can access. Your data will be processed by the companies and systems mentioned before.

The personal data processed by H.S.A. Confluente and/or abovementioned third parties, are only accessible by the corresponding parties. Measures are taken to ensure no unrightful access to these data occurs. All software is protected with at least a password.

When a new board is constituted, H.S.A. Confluente intends to change passwords to all accounts that belong to H.S.A. Confluente such that no unrightful parties can access data.

In the unlikely event that your personal information is accessed unrightfully, then you as well as the Autoriteit Persoonsgegevens (dutch privacy watchdog) will be informed.
